She is somewhat better at this writing. We hope she will continue to improve. Mrs. Hattie Brinkley is much better at this writing. The lecture given by Mr. A. M. Miles on hygiene was indeed grand. We only wish that we had more such noble women. Mrs. Miles said many good things. Among them was that we as a race need more men. We wonder why?

CENTENNIAL M. E. CHURCH.

The services at Centennial were a little above the average Sunday. In the morning the pastor, Rev. Davis, delivered a noble sermon, his text being "The glory of Christ revealed." It was handled in a masterly way. In the evening Lawyer W. C. Hueston addressed the League on the subject of the "Withered Hand," and all who listened enjoyed his talk. Centennial is very busy at this time preparing for its conference April 5 at St. Louis. There was one conversion at the Sunday services and one on Tuesday evening at the class. May God bless the work and may our pastor live long and prosper. He has just passed his thirty-ninth wedding anniversary and 63d birthday. God bless them both.

Last Sunday was "Girls' Day" at Allen. In numbers and congregation they outdid the boys. It was an ideal Sabbath and the people felt the touch of spring and an unusually large congregation assembled in Allen, filling both auditorium and balcony.

The morning services were in charge of Miss Anna H. Jones, who gave a splendid talk and some timely advice to young and older people alike. Miss Neosho Venerable read an excellent paper on "The Necessary Assets to an Aim in Life." Mrs. Myrtle F. Todd of Lincoln High School, gave an instructive and very pleasing talk. She was followed by Miss Morgan, our teacher in Physical Culture. Miss Morgan spoke on the "Practical Things of Life." Her talk was highly appreciated. Miss Eva Bowles of New York City also spoke. She told of the needs of a Y. W. C. A. in Kansas City and of the untold good the few Y. W. C. A.'s of other cities are doing for the women of our race. At the evening services the minister preached from the 15th chapter of Matthew and the 25th verse. His text was "Lord Help Me." His subject was "A Mother's Prayer." The sermon was clear and forceful.

Gypsies Unpopular.

Some two hundred thousand gypsies wander about Hungary and are regarded as a dangerous community. So notorious are their thieving propensities that they are not allowed inside the towns, while the villages tolerate them for only two days.

KANSAS CITY, KAS.

By MRS. KITTY B. DAVIS.

The E. P. C. club gave a Washington supper at Metropolitan Baptist church the night of February 22.

Summer night school had memorial services for Washington. Prof. Bailey of Summer High talked on "Washington" and the chorus sang.

Dr. H. T. Kealing delivered an enthusiastic address to a large audience Tuesday night at Summer High school auditorium under the auspices of the National Association for the Advancement of Colored People. After which a banquet was tendered.

"Bigger and Better Babies" slogan. Baby week March 4 to 11 will be observed on the Kansas side under the auspices of the N. A. A. C. P. committee, in charge of Miss Cauton Davis, chairman. Mrs. Willa Diggins, Mrs. Ella Smith and Mrs. G. B. Buser. Watch the paper for further announcements.

The Citizens' Forum had a large number at its last meeting. President Marquess presided and the following program was rendered: Current events, by D. W. White and Mrs. D. Thompson; instrumental solo by Mr. Lee; address, Social Service, Superintendent D. A. Halbert of the board of public welfare, Kansas City, Mo.; solo, Mrs. G. Dillard. All enjoyed the program and the philanthropic address.

The Metropolitan Baptist church congregation is still working well. Their church is said to be the finest of that denomination, white or colored. The beautiful windows are about all in and the highest price to be taken are the plate glass doors by the charter members and the teachers of Summer High. The highest for one person is the \$30 plate glass door or \$20 panel reserved for Mrs. M. C. Matthews. The ordinary collection last Sunday was \$92.50. The steam heating plant has arrived.

ARGENTINE, KANSAS.

By MRS. OPHELIA JACKSON.

Mrs. Sallie Kelley is improving after an illness of two weeks.

Miss Georgia Tucker has returned home after having been absent from the city since Christmas.

Mr. Zebbie Anderson was absent from the choir last Sunday on account of the death of his wife's uncle.

Helen, the only daughter of Mr. and Mrs. Robert Kelton, departed this life January 30. Mother, father and four brothers mourn her death.

Plans are on foot to organize what shall be known as a Community Club. The object of the club will be to help the sick and do charity work in the neighborhood of its members.

Much interest is being manifested among the school children in the good citizens' list or honor roll which is read at the churches every month. The roll is composed of the names of the children whose deportment and class work merit it and its being read before the public makes the children put forth a greater effort and informs the parents what their children are doing.

ROSEDALE, KANSAS.

Communion will be administered in the afternoon.

The revival services at the Pleasant Valley Baptist church are being well attended. No one should fail to hear Rev. Williams, as his sermons are very interesting and well delivered.

FOREST GREEN, MISSOURI.

The church is prospering under the leadership of the pastor, Rev. Davis. We are pleased to note that after several weeks' attack of the grip our pastor has recuperated and was able to fill the pulpit. Brother Richard White, a prominent member and officer of our church, has purchased a 40-acre farm in a beautiful locality, well drained and fitted for agriculture and stock raising, and is now erecting a new home. The pastor has organized a Bible class of 25 young men which meets Sunday afternoons. The work of repairing and remodeling the church will begin next week, which was withheld on account of the inclement weather. Services at the Pilgrim Rest Baptist church were well attended Sunday, with two additions and a good collection at each service. Grant chapel services were well attended. Two additions and \$35 in collection. Rev. J. W. Gordon of Richmond arrived Monday to conduct revival services at Pilgrim Rest. Onward Star Commandery, K. T., held its big convocation Thursday night.
